Part X - FIN 48 Footnote

The most significant tax positions of the Foundation are its assertion that it is exempt from income taxes and its determination of whether any amounts are subject to unrelated business income tax (UBIT). Management has determined that the Foundation had no UBIT for the year ended December 31, 2024, and therefore no provision has been included in these financial statements for any Federal income tax liability. All significant tax positions have been considered by management and it has been determined that it is more likely than not that all positions would be sustained upon examination by taxing authorities.
